

## **Proclamation for Multiple System Atrophy (MSA) Awareness Month**

WHEREAS, Multiple System Atrophy is a rare degenerative and terminal neurological disease, which has a distinctive impact on each patient; and

WHEREAS, according to The National Institute of Neurological Disorders and Stroke (NINDS), MSA affects approximately 50,000 Americans; and

WHEREAS, symptoms include problems with balance, coordination, gait, bladder and bowel functions, speech, swallowing, and breathing; and

WHEREAS, a multidisciplinary approach to MSA care includes physical, psychological, and financial support for patients and caregivers, including support groups; and

WHEREAS, there are some medications that treat the symptoms and some clinical trials for the development of improved treatment, much more research is needed for better management of the disease and ultimately, a cure; and

WHEREAS, increased education and awareness are needed to assist in accurately diagnosing MSA and to raise funds for research for treatments with fewer side effects and ultimately a cure; and

WHEREAS, March has been proclaimed as Multiple System Atrophy Awareness Month among the MSA worldwide community in dealing with the devastating effects of MSA.

Now, Therefore, I, **Governor NAME**, on this \_\_\_\_ day of \_\_\_\_\_, in the year 2023 do hereby proclaim March as

### **Multiple System Atrophy Awareness Month**

in

**STATE**
